Hello Janna,

Thank you for providing information from the EAO and IAAC notifying Wet'suwet'en First Nation that the Planning and Early Engagement Phase of the Berg Project has begun. I am reaching out to notify the EAO that Wet'suwet'en First Nation would like to be a participating nation in the impact assessment process.

I have cc'd two members of the Wet'suwet'en First Nation Natural Resource Team in this email, Nick Dormaar and Chus Sam. Please send any future information related to this process to the following accounts:
